

PHYSICAL EDUCATION OPTION

Students have the opportunity to apply for Physical Education credit when they participate in an OHSAA interscholastic sport. Guidelines are:

- 1) The student must complete two full seasons of a sport to receive ½ credit for PE Option.
- 2) After completing two full seasons of a sport, the student will receive a Pass/Fail grade (not included in GPA) and earn ½ credit.
- 3) The student **may not combine** one physical education class and one season of a sport.

If the student quits, is dismissed from the team, or becomes injured and does not complete the entire season, the student will forfeit the ½ credit.

Please **Circle** the sport played and the appropriate school year of participation:

FALL	WINTER	SPRING	SCHOOL YEARS
Cross Country	Basketball	Baseball	2016/2017
