

PHYSICAL EDUCATION OPTION

High school students have the opportunity to apply for physical education credit when they participate in an OHSAA interscholastic sport or marching band. Guidelines are:

- 1) The student must complete two full seasons of a sport/combination of sports or two full years of marching band to receive ½ credit for PE Option.
- 2) After completing the above, the student will receive a Pass/Fail grade (not included in GPA) and earn ½ credit.
- 3) The student **may not combine** one physical education class and one season of a sport or one year of band. They also **may not combine** one year of band and one sport season.

If the student quits, is dismissed from the team/band, or becomes injured and does not complete the entire season/year, the student will forfeit the ½ credit.

Please **CIRCLE** the activity and the appropriate school year of participation:

FALL	WINTER	SPRING	SCHOOL YEARS
